Member-only Benefits

Discounts on Books

- **New!** [One free eBook](#) per calendar year from the AMS Bookstore.
- Individual AMS members receive [free standard shipping](#) on orders delivered to addresses in the United States (including Puerto Rico) and Canada.
- [AMS Book Discounts](#) (10–40% for AMS members) | [Discounts on AMS/MAA Press Titles](#) (25% discount for individual members and 20% discount for domestic institutional members)

Discounts on Journals and other Publications

- **New!** A waiver of the article processing charge (value of $750) for members who publish in our two gold Open Access journals: *Proceedings of the American Mathematical Society, Series B* and *Transactions of the American Mathematical Society, Series B*.
- *Notices of the AMS* (electronic and print) | *Bulletin of the AMS* (electronic and print) included in membership
- [Abstracts discounts](#) (40% for individual AMS members)
- [Research, Translation, and Distributed Journal Discounts](#) (Select journals for individual AMS members. Further pricing information may be found [here](#).)
- [Electronic Mathematical Reviews® (eMR) Sections Discounts](#) (20% off for individual AMS members)
- [AMS Early View Articles](#) (AMS members only)
- Receive the bi-weekly *Headlines & Deadlines* e-Newsletter
  [Email notification for Current Mathematical Publications (e-CMP)](#) (AMS members only)

Professional Development and Networking

- Access to the [AMS Member Directory](#)
- Discounts for meetings registration fees for [Joint Mathematics Meetings](#), [AMS Sectional Meetings](#), and [AMS Short Courses](#)
- [Canadian Mathematical Society](#) (meetings and membership deals for members)
